PFC Allen has been performing since before he could remember. His parents have a tape of him performing "Twinkle, Twinkle" at the age of four. Since then, he has been in musicals and show choirs throughout high school. PFC Allen also plays piano and guitar. His hobbies include writing music, playing guitar in public places, and dancing. PFC Allen's favorite performance was in Little 5 Points, Atlanta, where he and a friend performed original songs for pedestrians who passed by.

A native of Columbus, OH, SPC Archer has been playing drums since the age of 13. Since enlisting in the Army in 1993, he has performed in a variety of musical genres, everything from big band to rock, symphonic to drum and bugle corps. SPC Archer draws upon this experience to add a unique percussive element to this year's Soldier Show.
